

Product name:

Product code:

Batch:

Best before date:

Vegetable Lactic Acid 80%

AD254

24019655

08/2027

| General identification data |                                                                                                                                   |
|-----------------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| Parameter                   | Value                                                                                                                             |
| CAS No.                     | 79-33-4                                                                                                                           |
| EC number                   | 201-196-2                                                                                                                         |
| Product color               | Yellow                                                                                                                            |
| HS code                     | 29181100                                                                                                                          |
| INCI                        | Lactic Acid                                                                                                                       |
| Grade                       | Cosmetic Grade, Technical Grade                                                                                                   |
| Processing method           | Fermentation                                                                                                                      |
| Origin of product           | Vegetable                                                                                                                         |
| Storage conditions          | Protect from light, Protect from heat, Store in a cool place, Store in a dry and clean environment, Keep container tightly closed |
| Odour                       | Characteristic                                                                                                                    |
| Appearance                  | Liquid                                                                                                                            |

| Analytical parameters |        |             |
|-----------------------|--------|-------------|
| Parameter             | Value  | Range       |
| Arsenic, As (ppm)     | Spĺňa  | < 1         |
| Chlorides (%)         | < 0,01 | < 0,2       |
| Purity (%)            | 79,9   | 79,5 - 80,5 |
| Sulphate (%)          | < 0,01 | < 0,25      |
| Sulphated ash (%)     | < 0,1  | < 0,1       |
| Heavy metals (ppm)    | Spĺňa  | < 10        |
| Iron, Fe (ppm)        | Spĺňa  | < 10        |

All data and facts above are taken from the certificate provided by the manufacturer. This certificate confirms that the product meets all specified quality parameters and regulatory requirements.
