| Natural Origin Index (NOI ISO 16128) | 1,00                                                                                                                                                                                                                                    |
| Regulation and Safety                |                                                                                                                                                                                                                                         |
| Parameter                            | Value                                                                                                                                                                                                                                   |
| Allergens                            | The product does not contain any of the fragrance allergens listed in Annex III of Regulation (EC) No. 1223/2009, as amended, including Commission Regulation (EU) 2023/1545., The product does not contain known skin allergens.       |
| BSE/TSE                              | The product does not contain materials of animal origin and, due to the absence of animal-derived materials and the production process, contamination or cross-contamination with BSE/TSE can be excluded.                              |
| CITES                                | The product is not derived from endangered species listed in the CITES Appendices and therefore does not require CITES certification.                                                                                                   |
| Product CMR classification           | The product is not classified as carcinogenic, mutagenic, or toxic to reproduction (CMR) according to Regulation (EC) No. 1272/2008.                                                                                                    |
| Ethylene oxide                       | Ethylene oxide is not used in the production process of this product.                                                                                                                                                                   |
| GMO                                  | The product has not been produced using genetically modified organisms (GMOs) as raw materials or GMO-derived processing aids and does not contain residues from GMO sources according to Regulations (EC) No. 1829/2003 and 1830/2003. |
| CLP classification                   | This substance is not classified as hazardous according to Regulation (EC) No 1272/2008 (CLP), and therefore a Safety Data Sheet (SDS) is not required for it under Article 31 of Regulation (EC) No 1907/2006 (REACH).                 |
| Microplastics (EU 2023/2055)         | This product does not contain intentionally added synthetic polymer microparticles pursuant to Commission Regulation (EU) 2023/2055.                                                                                                    |
| Nanomaterials                        | Nanomaterials are not used in, added to, or generated during the                                                                                                                                                                        |

|                                   | manufacturing of this product in accordance with Regulation (EC) No. 1223/2009.                                                                                                               |
| CMR ingredient content            | The product does not contain any ingredients classified as carcinogenic, mutagenic, or toxic to reproduction (CMR).                                                                           |
| VOC content                       | Volatile organic compounds (VOC) are not expected to be present in the product.                                                                                                               |
| Treatment with ionising radiation | The product has not been treated with ionising radiation at any stage before, during, or after the production process.                                                                        |
| Parabens                          | The product is free from parabens.                                                                                                                                                            |
| Proposition 65                    | None of the components of this product are listed on the California Proposition 65 list.                                                                                                      |
| Residual solvents                 | No residual solvents are used in or expected to remain from the production process of this product.                                                                                           |
| SVHC                              | The product is neither listed as a Substance of Very High Concern (SVHC) nor does it contain any material listed as an SVHC according to Article 59 of Regulation (EC) No. 1907/2006 (REACH). |
| Heavy metals                      | Relevant heavy metals are not expected to be present in the product above applicable limits.                                                                                                  |
| Animal testing                    | The product has not been tested on animals for cosmetic purposes by or on behalf of the company.                                                                                              |

Additional information

| Parameter   | Value                                                           |
|-------------|-----------------------------------------------------------------|
| Composition | Mica 45-55 %, Titanium Dioxide 40-55 %, Iron Oxide Yellow < 1 % |
