

Product name:
Product code:

Aluminium Bottle, 24/410, 200 ml
O24HS200

General identification data

Parameter	Value
Product color	Silver
HS code	76129080
Country of origin	China
Grade	Cosmetic Grade, Technical Grade

Packaging parameters

Parameter	Value
Brimful capacity (ml)	221 ml
Hmotnost (g)	34 g
Materiál produktu	Aluminium
Nominal capacity (ml)	200 ml
Diameter (mm)	50 mm
Thread type	24/410
Height (mm)	140 mm

Declaration of Conformity

Parameter	Value
Suitability for contact with cosmetics	Based on the information provided by the manufacturer of this packaging material, we hereby declare that the material is suitable for use with cosmetic products and complies with the relevant legal requirements applicable within the European Union, specifically: - Commission Regulation (EU) No 10/2011 of 14 January 2011 on plastic materials and articles intended to come into contact with food. - Regulation (EC) No 1223/2009 of the European Parliament and of the Council on cosmetic products. - Article 3 of Regulation (EC) No 1935/2004 of the European Parliament and of the Council on materials and articles intended to come into contact with food, which is also applied analogically to materials and packaging intended to come into contact with cosmetic products. - Directive 94/62/EC of the European Parliament and of the Council on packaging and packaging waste. - Any additional applicable national or EU regulations concerning materials

Declaration of Conformity	
Parameter	Value
	intended for indirect or direct contact with cosmetic products. The packaging material is stable under normal storage and usage conditions of cosmetic products and does not affect their sensory properties (such as fragrance, color, or texture).

All the above-mentioned data and facts are taken from the certificate provided by the manufacturer. This certificate confirms that the product complies with all specified quality parameters and regulatory requirements.

The information contained in this document is provided in good faith and to the best of our current knowledge. It is supplied without warranty and does not constitute a guarantee of the product’s suitability for any specific purpose.

The customer remains solely responsible for verifying the suitability, safety, and compliance of the product for the intended use and final application. Where necessary, appropriate testing should be carried out prior to use. All information is considered accurate at the time of issue; however, product details may be subject to change. Customers are therefore encouraged to keep their technical documentation up to date.

This document may not be reproduced, disclosed, or distributed, in whole or in part, without the prior written consent of Handymade s.r.o.

Document is signed with a qualified electronic signature, which has the same legal effect as a handwritten signature.
