

Product name:

Strawberry Seeds

Product code:

EX004

General identification data

| Parameter          | Value                                                                                                                                                                                |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Botanical source   | Fragaria × ananassa Duch.                                                                                                                                                            |
| Product color      | Red, Amber                                                                                                                                                                           |
| HS code            | 1207999690                                                                                                                                                                           |
| Country of origin  | Poland                                                                                                                                                                               |
| Grade              | Cosmetic Grade                                                                                                                                                                       |
| Processing method  | Filtration, Drying                                                                                                                                                                   |
| Storage conditions | Protect from direct sunlight, Protect from moisture, Store at room temperature, Store in the original container, Store in a dry and clean environment, Keep container tightly closed |

Formulation parameters

| Parameter                    | Value                                                                                                                                                                                                                     |
|------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Free from                    | allergenic fragrance substances, alcohol, ethylene oxide (EO), formaldehyde and formaldehyde donors, phthalates, preservatives, parabens, PEG, silicones, sulfates, GMO-derived ingredients, palm oil-derived ingredients |
| Formulation phase            | Post-addition, Cool-down phase, Oil phase, Water phase                                                                                                                                                                    |
| Function in formulation      | Exfoliation                                                                                                                                                                                                               |
| Compatibility                | No Restrictions                                                                                                                                                                                                           |
| Application area             | Feet, Scalp, Hands, Body, Face                                                                                                                                                                                            |
| Recommended dosage range (%) | 1 - 20                                                                                                                                                                                                                    |
| Application                  | Skin care, Shower and bath products, Body care                                                                                                                                                                            |
| Solubility                   | Oil-insoluble, Water-insoluble                                                                                                                                                                                            |
| Application type             | Rinse-off                                                                                                                                                                                                                 |
| Effects                      | Exfoliation                                                                                                                                                                                                               |
| Suitable for                 | Oily skin, Normal skin, Problematic skin, All skin types                                                                                                                                                                  |

Product name:

Strawberry Seeds

Product code:

EX004

| Sustainability and certifications    |                                 |

| Renewable Carbon Content (RCC) (%)   | 100                             |

| Regulation and Safety      |                                                                                                                                                                                                                                         |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Parameter                  | Value                                                                                                                                                                                                                                   |
| Allergens                  | The product does not contain any of the fragrance allergens listed in Annex III of Regulation (EC) No. 1223/2009, as amended, including Commission Regulation (EU) 2023/1545.                                                           |
| BSE/TSE                    | The product does not contain materials of animal origin and, due to the absence of animal-derived materials and the production process, contamination or cross-contamination with BSE/TSE can be excluded.                              |
| CITES                      | The product is not derived from endangered species listed in the CITES Appendices and therefore does not require CITES certification.                                                                                                   |
| Product CMR classification | The product is not classified as carcinogenic, mutagenic, or toxic to reproduction (CMR) according to Regulation (EC) No. 1272/2008.                                                                                                    |
| Ethylene oxide             | Ethylene oxide is not used in the production process of this product.                                                                                                                                                                   |
| GMO                        | The product has not been produced using genetically modified organisms (GMOs) as raw materials or GMO-derived processing aids and does not contain residues from GMO sources according to Regulations (EC) No. 1829/2003 and 1830/2003. |
| CLP classification         | This substance is not classified as hazardous according to Regulation (EC) No 1272/2008 (CLP), and therefore a Safety Data Sheet (SDS) is not required for it under Article 31 of Regulation (EC) No 1907/2006 (REACH).                 |
| Nanomaterials              | Nanomaterials are not used in, added to, or generated during the manufacturing of this product in accordance with Regulation (EC) No.                                                                                                   |

| Regulation and Safety             |                                                                                                                                                                                               |
|-----------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Parameter                         | Value                                                                                                                                                                                         |
|                                   | 1223/2009.                                                                                                                                                                                    |
| CMR ingredient content            | The product does not contain any ingredients classified as carcinogenic, mutagenic, or toxic to reproduction (CMR).                                                                           |
| VOC content                       | Volatile organic compounds (VOC) are not expected to be present in the product.                                                                                                               |
| Treatment with ionising radiation | The product has not been treated with ionising radiation at any stage before, during, or after the production process.                                                                        |
| Parabens                          | The product is free from parabens.                                                                                                                                                            |
| Proposition 65                    | None of the components of this product are listed on the California Proposition 65 list.                                                                                                      |
| REACH status                      | The product is exempt from the registration requirement under Regulation (EC) No. 1907/2006 (REACH).                                                                                          |
| Residual solvents                 | No residual solvents are used in or expected to remain from the production process of this product.                                                                                           |
| SVHC                              | The product is neither listed as a Substance of Very High Concern (SVHC) nor does it contain any material listed as an SVHC according to Article 59 of Regulation (EC) No. 1907/2006 (REACH). |
| Heavy metals                      | Relevant heavy metals are not expected to be present in the product above applicable limits.                                                                                                  |
| Animal testing                    | The product has not been tested on animals for cosmetic purposes by or on behalf of the company.                                                                                              |

The information contained in this document is provided in good faith and to the best of our current knowledge. It is supplied without warranty and does not constitute a guarantee of the product’s suitability for any specific purpose.

The customer remains solely responsible for verifying the suitability, safety, and compliance of the product for the intended use and final application. Where necessary, appropriate testing should be carried out prior to use. All information is considered accurate at the time of issue; however, product details may be subject to change. Customers are therefore encouraged to keep their technical documentation up to date.
