| General identification data |                                                                                         |
|-----------------------------|-----------------------------------------------------------------------------------------|
| Parameter                   | Value                                                                                   |
| CAS No.                     | 12001-26-2, 1309-37-1                                                                   |
| CI number                   | 77019, 77491                                                                            |
| Product color               | Red                                                                                     |
| HS code                     | 25252020                                                                                |
| INCI                        | Mica, Iron Oxide Red                                                                    |
| Country of origin           | Spain                                                                                   |
| Grade                       | Cosmetic Grade                                                                          |
| Processing method           | Milling, Surface treatment, Drying                                                      |
| Storage conditions          | Protect from light, Store in a dry and clean environment, Keep container tightly closed |
| Odour                       | Odourless                                                                               |
| Appearance                  | Powder                                                                                  |

| Analytical parameters |          |       |
|-----------------------|----------|-------|
| Parameter             | Value    | Range |
| Antimony, Sb (ppm)    | Complies | <1.0  |
| Arsenic, As (ppm)     | Complies | <2.0  |
| Barium, Ba (ppm)      | Complies | <50.0 |
| Chromium, Cr (ppm)    | Complies | <20.0 |
| Cadmium, Cd (ppm)     | Complies | <1.0  |
| Copper, Cu (ppm)      | Complies | <50.0 |
| Nickel, Ni (ppm)      | Complies | <8.0  |
| Nanoparticle content  | Absent   |       |
| Lead, Pb (ppm)        | Complies | <5.0  |
